(Through the President)

Sir,

Subject, Purchase of a Tractor with a Garbage
Body for the Health Section

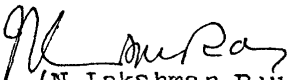

At present, there are 7 lorries attached to the Health Section, which are used for the removal of street sweepings and other rubbish. They are all old having been purchased between the years 1944 and 1948. Some of them are frequently going out of order. Therefore, provision was made in the Budget for 1954-55 for purchase of new vehicles, to replace the oldest among the present vehicles, which will have to be sold. As quotations had been obtained by the Chairman, City Improvement Trust Board for similar vehicles through the Stores Purchase Committee (Enquiry No 12590) a comparative statement of prices with reference to these quotations was prepared (copy enclosed). It will be seen that the price of a Tractor Trailer (Ferguson) with Trailer and Garbage body offered by Messrs Webbs Bangalore is most favourable, being Rs 14,741-6-6 (Tractor with Tipping Trailer Rs costing Rs 12,491-6-6 and Garbage Body Rs 2,250). Further the fuel used for Tractors is powerine which costs Re 1-8-0 per gallon while petrol is Rs 3/- per gallon. Emptying the rubbish is easier from a Trailer than from a lorry.

Handwritten notes and signatures on the right margin, including '24/11' and 'Sri B.R.'.

(2)

as the former also has the tipping arrangement
For these reasons, the Municipal Council ~~Committee~~
before which a subject was placed in this behalf
recommended that a Ferguson Tractor with a Trailer
mounted with a garbage body may be purchased for
Rs 14,741-6-6 The Council at their adjourned
meeting held on 5-11-1954 approved the proposal
Copies of the resolutions of Managing Committee
and the Council are enclosed I request you kindly
to obtain orders of Government sanctioning the
purchase The expenditure will be met from out
of the provision of Rs 30,000/- under the head
"E2 C 7-Purchase of Lorries "

Yours faithfully,

(N Lakshman Rao)
